## QUESTIONS FROM THE PUBLIC

- Towards 2020 ( End of WW11) (letter available from John Symonds)

The idea was to honour those parishioners who served in WW II. After much discussion it was felt that the PC would endorse a special time for reflection and celebration possibly at the Village Barbecue if there were survivors or descendants within the village. The PC will revisit this topic in the light of John Symond's research.

- Replacing memorial plaque for Haines Family damaged by mower.  
Tree Warden, Tim, and Cllr Elliott are to liaise with parishioner regarding purchase and replacement of plaque. This cost to be met by the PC.
- A parishioner complained that the footpath from the riding school to Stratton is overgrown and dangerous as walkers can fall into the stream. Clerk to inform Bathurst Estate.
- There have been many short power outages of a few minutes or so. This has the effect of interrupting broadband and any timer settings within households. Parishioners are requested to phone 105 if they experience a power outage. Notices to be placed of Parish Notice Boards and on website E board.
