Hello Anne. We have exchanged messages before on this matter but thought I would write again as the Daglingworth residents are now in the throws of the road closure of Overley Road to Cirencester caused by Thames Water's water pipe laying near Stratton. This is causing a lot of concern. If the residents couldn't use Dowers Hill because of this order they would be cut off using car transport apart from taking the long route around Bathurst Estate towards Stroud: clearly inconvenient.

Please can you reconfirm that despite the order above we will still be able to use Dowers Lane at all times for access only.

Kind regards
Graham
